Created within hours of the Sept. 11, 2001 terrorist attacks, REALTOR® Relief Foundation efforts have been assisting communities impacted by disasters for over 20 years. Contributing to the REALTOR® Relief Fund is a meaningful way to support individuals and families who have lost their homes due to natural disasters. 100% of Donations Go to Victims - Unlike some charities that take a portion for administrative costs, every dollar donated to the REALTOR® Relief Fund goes directly to disaster victims. As of February 8, 2025, the REALTOR® Relief Foundation (RRF) has raised \$772,492 to assist those impacted by the California wildfires. In New Jersey, the REALTOR® Relief Fund provided a grant of \$20,000 in September 2023 for Hurricane Ida.
